

UPDATE – NORTH BEACH CLOSURE

The Orleans Park & Beaches Department has advised the Chatham Police Department that effective June 22, 2006 at 1201 am, the off road vehicle trails south of the Nauset Beach parking lot will be closed to all Off Road Vehicle travel including camp owners. This closure will be in effect from June 22, 2006 until the Plover eggs hatch and the chicks fledge. After the eggs hatch, it could be 25-30 days until the chicks fledge.

The Chatham Police Department, Chatham Fire Department and Chatham Harbormasters Department will continue to provide services to persons accessing the Chatham portion of North Beach by boat. Contact the Chatham Police Department, Sgt. John Cauble at 508-945-1217 if you have any questions on this Off Road Vehicle beach closure.
